Selectmen's Meeting:

The Selectmen hold their regular meetings on the second and last Tuesday of each month at 8:00 P.M.

INVENTORIES

The Selectmen will receive inventory blanks, over 65 exemptions, veteran's exemptions and Current Land Use Applications and hear parties regarding their liability to be taxed at the Selectmen's Office from 9 A.M. to 12 noon on Saturday, April 14, 1984.

NOTE: That no appeals for abatements can be considered unless a FULLY completed inventory form has been filed with the Selectmen by April 15, 1984.

Board of Selectmen

THE STATE OF NEW HAMPSHIRE

WARRANT FOR THE TOWN MEETING

THE POLLS WILL BE OPEN FROM 9:00 A.M. to 7:00 P.M.

To the Inhabitants of the Town of Warner in the County of Merrimack in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Town Hall in said Warner on Tuesday, the Thirteenth day of March, next at 9:00 of the clock in the forenoon, to act upon the following subjects:

- 1. To choose all necessary Town Officers for the year ensuing.

ADJOURN: FOR BUSINESS MEETING
WEDNESDAY, MARCH 14, 1984 at 7:30 P.M.

2. To see if the Town of Warner will vote to authorize the Selectmen to donate on a one-time basis Four Thousand Eighty (\$4,080.00) Dollars to the Bradford Rescue Squad towards the purchase of a new ambulance. The ambulance a Yankee Coach Pioneer III with necessary equipment and a performance bond will cost Forty-nine Thousand (\$49,000.00) Dollars. The Bradford Rescue Squad will contribute from its funds Fifteen Thousand (\$15,000.00) Dollars.

The Towns served by the Rescue Squad are being asked to contribute as follows:

1. Bradford	\$16,660.00
2. Newbury	7,140.00
3. Sutton	6,120.00
4. Warner	4,080.00
<hr/>	
TOTAL	34,000.00

The contributions were arrived at by determining the percentage of runs per Town (averaged over the last five years). For further details please see the Bradford Rescue Squad's report within your annual report.

3. To see if the Town of Warner will vote to raise and appropriate the sum of \$5,000.00 to increase the present highway budget for the purpose of preparing a section of Horne Road to be black topped/farmers mixed. (Submitted by petition and NOT included in Budget).

4. To see if the Town of Warner will raise and appropriate \$1,650.00 for the purchase of a hand held radar unit for use by the Warner Police Department. (Submitted by petition, NOT recommended by the Budget Committee and NOT included in the budget).

5. To see if the Town of Warner will vote to raise and appropriate the sum of \$8,730.00 (Eight Thousand Seven Hundred Thirty Dollars) for a cruiser for the Warner Police Department. Three Thousand Dollars (\$3,000.00) to be withdrawn from the Capital Reserve Fund plus any interest that has accrued and the balance to be raised by taxation. (Recommended by the Budget Committee and included in the budget).

6. To see if the Town will vote to appropriate and authorize withdrawal from Revenue Sharing Funds for use as set off's against budgeted appropriations for the following specific purpose and in the amounts herewith or take any other actions hereon: (Recommended by the Budget Committee and included in the budget)

APPROPRIATION

AMOUNT

Oiling

\$18,500.00

7. To see if the Town will raise such sum of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

8. To see if the Town will authorize and direct the Selectmen to review the consideration which may be involved in participating with the City of Concord Solid Waste Resource Recovery Project, to enter into discussions and negotiations regarding the project, and to report back to the Town as to their findings and recommendations. A decision by the town to participate or not to participate in the project will be deferred to a special town meeting in the fall of 1984, or the regular town meeting in March of 1985.

9. To see if the Town of Warner, N. H. shall call upon the Governor and Executive Council, its State Representative(s) and State Senator to promptly convene a Special Session of the Legislature for the sole purpose of preventing the imposition of huge cost increases in electric rates resulting from the Seabrook Nuclear Power Plant on the citizens, businesses, schools and agencies in the Town of Warner, and to direct the Selectmen to promptly notify our above listed elected officials of the Town's desire. (Submitted by petition).

10. To see if the Town Meeting will vote to discontinue as a public highway, an old town road laid out in 1852, said old town road running from the easterly side of Plains Road over land currently owned by Mrs. Thelma Stockman to land currently owned by William and Barbara Annis and more particularly bounded and described as laid out and recorded in Town of Warner Town Records on May 12, 1852 as follows:

Beginning on the northerly side of the highway leading from the Jeremiah Straws to Davisville $5\frac{1}{2}$ rods southeasterly of the southeast corner of said Glover house thence on land of said Glover north 58° east 23 rods; thence 14° west 15 rods to land of James S. Couch thence across said Couch land north $3^{\circ} 45'$ east $42\frac{1}{2}$ rods to land of said Glover thence same course $42\frac{1}{2}$ rods to land Jesse Sanborn north 1° west on said Sanborn land 42 rods to land of said Sawyer. Thence same course on said Sawyer's land 20 rods to a stake said road laid out $1\frac{1}{2}$ rods wide and to be made and expenses paid by the said Sawyer and Glover the line above described to be the middle of the highway and the highways to be $1\frac{1}{2}$ rods wide. (Submitted by petition).

11. To see if the Town will authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes on the note or notes of the town.

12. To see if the Town will vote under RSA 31:95-b to permit the Board of Selectmen to accept gifts and grants on behalf of the Town of Warner.

13. To see if the Town will authorize the Selectmen to sell property taken for taxes.

14. To see if the Town will adopt as a by-law or ordinance of the Town the: "Regulating heavy hauling over town highways" made by the Selectmen on June 28, 1983, pursuant to RSA 31:41d and 42, the provisions of which have been published at length and are herein incorporated by reference.

15. To see if the Town will vote under RSA 31:39 to permit the Board of Selectmen to adopt by laws on behalf of the Town of Warner until the next annual meeting.

16. To hear reports of the Officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.

17. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this 14th day of February, in the year of our Lord nineteen hundred and Eighty-Four.

SELECTMEN'S REPORT

1983, not unlike the past 3-4 years brought some unanticipated expenses (particularly in the Highway Department). Most of the planned repairs and rehabilitation of the Newmarket and North Village Roads had to be set aside due to the collapse of the bridge on the Ski-Tow Road and the loss of a large culvert on the Plains Road. However, some planned bridge work was accomplished (ie: the second bridge on the North Road was replaced by a multi-plate culvert and the first bridge replaced in late 1982 was surfaced in 1983).

No large equipment replacement has been requested or recommended by the Highway Department for 1984 but an additional \$25,000.00 is being recommended by the Board of Selectmen to be put in a Capital Reserve for future purchase of replacement equipment.

It is becoming more evident by the Board that the number of hours required to conduct town business is increasing at an alarming rate. Requirments placed on administration by the enactment of both Federal and State legislation creates a great deal of paper work. Although the Selectmen's Office is open to the public only six hours a week our administrative assistant works many more hours each week. It is obvious that the near future will either cause consideration of a full time Selectmen's Office or giving serious assessment to the use of a computerized system. Your Board is studying these alternatives and will make recommendations to the Budget Committee and for a warrant article approach. Public input into such changes is always desirable and hearings will certainly be a part of the process.

The various agencies in the town are outgrowing the space allocated to them particularly the space for storage of records. Part of the money in the 1984 budget, under Town Hall expenses, is for the renovation of the old jail room (under the Police Office) in order to elevate some of the storage problem.

The Board also recognizes that more and more demand for the use of the Town Hall by Town Organizations and individuals for dances, meetings, suppers, receptions, etc. is taking place. In this regard we will probably have to revamp some of the ground rules and fee schedules. In the meantime it is advisable that organizations desiring the use of the Town Hall to get their request in early (2-3 months is not regarded as too early). Whenever possible emergencies will take precedence. An example of this is the offer by the Board to the Principal of the Simmonds Elementary School to use the basement for the hot lunch program when the kitchen at the school was destroyed by fire. This tied up the kitchen and dining facilities for approximately 3 weeks.

In conclusion we would like to express our appreciation to all town agencies such as Police, Fire, Precinct, Town Clerk, Tax Collector for their usual cooperativeness. A special thanks should go to Diane Violette, Treas. Thru her diligence the \$650,000.00 that the town had to borrow during 1983 cost only \$209.74 in interest to the town. Also a thanks to the many townspeople who have volunteered their time and efforts toward town business. In addition we particularly appreciate the efforts of Fred Courser Jr. and his son Gerald for their willingness to walk the bounds of the Town of Warner with representatives from the Towns of Salisbury and Sutton. Well done gentlemen.

REES G. HANBURY
CARTHER-LYNN BEAN
JOHN A. KELLEY, JR.

POLICE DEPARTMENT REPORT

The first full year of operation using the Merrimack County Sheriff's Department dispatch system was completed during 1983. All telephone calls to the department are handled by this agency and radio dispatch service to officers on duty are also provided. To date, the service provided has been excellent and we are not aware of any complaints during this first year of operation. The cost of this service is prorated among eleven other local police departments in Merrimack County and the Sheriff's agency. This cost per department is based upon the number of calls handled the previous year and in the case of Warner, 2980 calls were received. In 1982 there were 1477 calls to dispatch for an increase of 102%! It should be noted that *all* calls directed to the police department are counted, information calls of all types and other non police emergency as well, therefore, some of these calls might well be directed locally instead.

Theft of property, burglary, criminal mischief, domestic disturbances and juvenile offenses were the bulk of complaints investigated during 1983. Your attention is again directed to the safeguarding of valuables under all circumstances and in particular, locking vehicles and homes while away even for short periods of time. Also, continuing to report suspicious situations as they occur, noting descriptions and or motor vehicle registrations if possible. The abuse of alcohol also continues to be a significant factor in crimes against property as well as domestic complaints and juvenile cases. While most of the publicity and public awareness is properly directed to the DWI problem, it should be recognized that a large percentage of other offenses are likewise associated with this problem at great cost to the tax payer.

We would like to take this opportunity to acknowledge, with thanks, the continuing support and assistance by the Board of Selectmen, Chief Violette and members of the Warner Fire Department as well as other police agencies including Sheriff's Department and the N. H. State Police. A special thank you for assistance to the department during the past year by the County Attorney, Michael Johnson and Assistant County Attorney, Warner resident Jim Foley.

OTTO W. FREDERICKS
Chief

WARNER FIRE DEPARTMENT REPORT

December 31, 1983

Events and Changes in 1983

During January, February and March eight (8) fire fighters completed a 100 hour Certified New Hampshire Fire Fighters Course. This course was instructed by State Approved Instructors and consisted of a wide range of subjects in basic fire fighting. Each student was required to pass a practical and written exam. Members completing the course were: John Hill, Denis Hamilton, Richard Brown, Stewart Fortune, Alfred Maheu, Daniel MacCreighton, Richard Kelsea and Paul Violette.

In April we joined the Capital Area Mutual Aid which consists of 16 towns in Central New Hampshire. On April 14th we removed our local "Red Phone" answering system and changed to the Mutual Aid Central Dispatch System in Concord. At the dispatch center personnel are on duty 24 hours a day to receive all calls. Our fire fighters are now alerted by the dispatcher using a radio paging system. Each department member carries a small radio receiver and instantly receives each message no matter where he is. The new system has been a great improvement with better response and quicker back up from other towns.

Along with the Wilkins-Cloues-Bigelow Post 39 American Legion we co-sponsored a Cardio-Pulmonary Resuscitation Course (CPR) in April. Approximately 20 townspeople completed the 16 hours of instruction. We hope to have at least one course in 1984.

In July we sponsored our first benefit auction to raise funds for additional rescue and medical equipment. It was a great success. We wish to thank all persons who donated items to be auctioned and a special thanks to auctioneer Phil Fuller for donating his time and experience. We hope to have another one in the summer of '84 so if anyone has new or used items they would like to donate to a good cause, please contact any fireman. We will make arrangements to pick up all items.

November brought more training for our emergency medical technicians (EMT's). A 35 hour recertification course held in Hopkinton was completed by seven EMT members. This course is required every two years to keep a State license current.

Concerns for 1984

Our Engine 4 (1964 Ford) pumper, now twenty years old, is in need of some repairs. Mechanically the truck is fine and it still meets or exceeds all pumping tests, however, it needs body repair. Rust is beginning to take hold. We are asking for funds in our budget to fix all rust and repaint the truck. With these repairs it is expected to realize another five (5) years of service from this fine unit.

Other needs are hose and air packs (breathing apparatus). Older equipment needs to be updated or replaced. The fire fighters, as usual, are willing to work hard to help defray some of the cost of these items.

A list of our 1983 alarms are listed below, but first I would like to thank all Town Departments, Officials and Townspeople for their assistance in making our jobs easier.

PAUL E. VIOLETTE, Chief

**REPORT OF TOWN FOREST FIRE WARDEN
AND STATE FOREST RANGER**

Once again, our cooperative town and state forest fire prevention and control program leads the nation in least acres burned per forest fire. Less than one-half acre per fire statewide average.

At the town level, your Forest Fire Warden is responsible for the prevention and control of all grass and woods fires when the ground is not snow covered.

Forest fire prevention is achieved at the town level by issuing a written permit for every fire that is to be kindled on the ground out of doors when the ground is not covered with snow. Each person wishing to have an outside fire must obtain this written permit from the town Fire Warden before kindling the fire. Any person that does not obtain a fire permit, when one is required, is violating our forest fire permit law and is subject to a court appearance and could be fined up to \$1,000 and receive a jail sentence of up to one year.

No fire permit will be issued between 9:00 a.m. and 5:00 p.m. unless it is raining. The reason for this is twofold: the fire danger increases steadily between 9:00 a.m. and 2:00 p.m., then subsides to a safe level between 2:00 p.m. and 5:00 p.m. This happens because the sun dries out the fine fuels that are easily ignited and dries the air which permits rapid fire spread. Also during this part of the day fire fighters are not readily available in most communities so an escaped fire could burn longer and cause greater damage before being suppressed.

Your cooperation in burning only when conditions are safe is greatly appreciated.

As Smokey says, "Remember, Only You Can Prevent Forest Fires!"

1983 STATISTICS

	State	District	City/Town
No. of Fires	779	26	6
No. of Acres	348	5.75	.25

PAUL E. VIOLETTE, Warden

CLARK M. DAVIS, Forest Ranger

BRADFORD RESCUE SQUAD

The Bradford Rescue Squad has been in existence for 13 years. As in the past, the members are dedicated volunteers brought together by their common desire to provide necessary emergency care to the community. The squad is a non-paid, non-profit organization presently consisting of 16 EMT's, 3 RN's 3 Advanced First Aides, and 3 drivers.

In 1983, the Bradford Rescue Squad responded to a total of 134 Emergencies, 11 of them in Warner. The following is a break down of the squad's service to the Town of Warner over the past 5 years.

YEAR	TOTAL CALLS TO WARNER	% OF TOTAL B.R.S. CALLS
1979	11	10%
1980	11	11%
1981	19	13%
1982	17	16%
1983	11	8%

Bradford Rescue Squad's ambulance is now eleven years old. Over the past four years, it has cost the squad \$9,248.23 in repairs alone. In addition to the financial burden, there is also the problem of taking the ambulance out of service for major repairs. In 1983, Bradford's ambulance was out of service at least six times.

For the above mentioned reasons, Bradford Rescue Squad needs a new ambulance. Through fund raising and donations, the squad is in a position to put a substantial amount of money towards the new ambulance. Unfortunately, the squad cannot hope to finance the total cost of a new ambulance. Therefore, the Bradford Rescue Squad must appeal to the community for additional funds.

Ambulance	\$39,200
Bond	800
Equipment	9,000
	<hr/>
	\$49,000

Based on \$49,000:

Bradford—49%	Newbury—21%	Sutton—18%	Warner—12%
\$24,010	\$10,290	\$8,820	\$5,880

Bradford Rescue Squad will pay the \$9,000 for equipment, the \$800 bond plus \$5,200 towards the ambulance which reduces the cost to the towns to \$34,000.

Based on \$34,000:

Bradford—49%	Newbury—21%	Sutton—18%	Warner—12%
\$16,660	\$7,140	\$6,210	\$4,080

**“HEALTH BEGINS AT HOME”
KEARSARGE VISITING NURSE ASSOCIATION
ANNUAL REPORT OF SERVICES**

During 1983, the Kearsarge Visiting Nurse Association has continued its growth in services to the town of Andover, Bradford, Danbury, New London, Newbury, Springfield, Sunapee, Sutton, Warner and Wilmot. We are proud of the professionalism of our staff which now totals 17 and our two new services of Speech Therapy and Social Services. The enrollment in our Child Health Clinic totals 170 children from birth to 6 years of age. The opening of an office in Bradford has been a success and very much appreciated by the communities in our southern catchment area. We have expanded our services without asking for an increase in town appropriations for the *fifth* year in a row.

The graph represents the visits made to your town during 1983.

If you know of someone who needs help, please call us in New London at 526-4077 or Bradford at 938-2002 for a free evaluation visit. We are a Medicare Certified Agency and will be happy to help you answer any questions you may have regarding home health care.

Robin Gallup, RN
Co-Director

Tanya Wilkie, RN
Co-Director

Representatives from your town on our Board of Directors are:

Mr. Victor Kumin

Mrs. Pat Sandy

Mrs. Lynne Smith

GENE DABROWSKI
Animal Officer

PLANNING BOARD REPORT

1983

During 1983 the Board held 12 regular meetings and 13 hearings. Lot line adjustments were approved for the Titus and Hemphill properties. Five subdivisions were approved on the Cook, Fuller, Hicks, Stockman, and Titus properties, creating a total of nine new lots in the Town. The Board also conducted a Site Plan Review for conversion of the MacCreighton building to seven apartment units by a new owner, Mr. Bruce Martin of North Weare. The conversion was approved.

We puzzled long and hard over bringing the Town's zoning ordinance into line with state laws with regard to mobile homes. Voters at last year's Town Meeting approved the amendments proposed by the Board. Those amendments now permit manufactured housing, including mobile homes, in residential areas zoned for single family dwellings, but subject to the same regulations for dwellings constructed on site. Voters also approved an amendment to permit adult sheltered care facilities in all but the OR-1 zone, provided that approval is first obtained from the Zoning Board.

We want to thank George Guimond and Dennis O'Connell for their many years of service on the Board. New regular members are Barbara McCausland and Peter Wolfe, with Linda Connors, Larry Pletcher and Rhonda Rood as alternates, and Susan Hannon as secretary of the Board.

Respectfully submitted,

JANE B. HOLLIDAY
for the Planning Board

CENTRAL NEW HAMPSHIRE REGIONAL PLANNING COMMISSION

The Central New Hampshire Regional Planning Commission has been in existence since 1970 and during this period has continued its involvement in studies of both a regional as well as a local nature. The Commission acts as an advisory body to its member municipalities and as such is often invited to participate in local planning projects.

In addition to the traditional planning, zoning and ordinance assistance offered, we are continually working to develop new ways to help our member communities, and to expand our services into those areas that have the greatest need. As in the past, we urge full participation by our member communities in the affairs of the Commission, and encourage questions and comments to be directed to the Commission office in Concord.

The Commission hopes to be able to continue to serve the needs of its member municipalities in the future, and fully appreciate the past support of its activities by the Town of Warner.

Respectfully submitted,

CHARLES F. THOITS, III

Representative to the Commission

REPORT OF THE TRUSTEES OF THE PILLSBURY FREE LIBRARY

Circulation:

Adult Books:	6564
Children's	3810
Magazines	2004
TOTAL	12384

710 Phonograph records circulated

399 books purchased

6 new magazines added

18 filmstrips purchased

26 phonographs records

During the year, Mr. Charles Brown exhibited several of his paintings and Mr. Winfred Grandy displayed his collection of memorabilia of Abraham Lincoln.

The 4-H girls displayed their activity poster and put together a huge quilt which was on display for some time.

New books were always on display before being put into general circulation.

Mrs. George still conducts the Story Hours each week and has her film strips once a month.

Respectfully,

The Board of Trustees,
RICHARD U. COGSWELL, Chairman

**WARRANT FOR WARNER VILLAGE FIRE DISTRICT
ANNUAL MEETING
1984**

The State of New Hampshire

To the inhabitants of the Warner Village Fire District in the Town of Warner, in the County of Merrimack, in said State, qualified to vote in Precinct Affairs:

You are hereby notified to meet at the Town Hall in said Warner on Tuesday, the 20th day of March next, at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator for the ensuing year.
2. To choose a Commissioner for three years.
3. To choose a Clerk-Treasurer, two Auditors and other agents or Officers for the ensuing year.
4. To hear the reports of the District Officers and Committees for the preceding year and pass any vote in relation thereto.
5. To see if the Warner Village Fire District will vote to close the account of the Land Acquisition Capital Reserve Fund and transfer said total monies (\$104.18) One Hundred Four Dollars and Eighteen cents to the Capital Reserve Fund for Improvements to the Water Supply and/or System.
6. To see if the Warner Village Fire District will Authorize the Commissioners and District Treasurer to expend the sum of (\$28,000.00) Twenty Eight Thousand Dollars for a Water Study and Ground-Water Exploration as directed by the New Hampshire Water Supply and Pollution Control Commission; to be raised by (\$10,000.00) Ten Thousand Dollars from the Capital Reserve Fund for improvements to the Water Supply and/or System and the balance of (\$18,000.00) Eighteen Thousand Dollars to be raised by Taxation in the year 1984.
7. To see what sum of money the District will vote to raise and appropriate for care and improvement of the Water and Sewer Systems and for Fire Protection.
8. To see if the Warner Village Fire District will vote to authorize the Commissioners to accept gifts and grants on behalf of the Warner Village Fire District.
9. To see if the Warner Village Fire District will authorize the Commissioners and District Treasurer to borrow money in anticipation of Taxes, Water and Sewer Rents on the Note, or Notes of the Warner Village Fire District.
10. To see if the Warner Village Fire District will vote to accept a Statute of the State of New Hampshire, RSA #149, and it's Amendments,

in its entirety as it applies to the District, as pertaining to the Sewage and Waste Treatment Facilities.

11. To transact any other business that may legally come before this meeting.

Given under our hand and seal, the 4th day of February, in the year of our Lord Nineteen Hundred and Eighty-four.

WESLEY I. MANNING
RICHARD D. BROWN
FRED O. WHITMAN

NOTE:

Warner Precinct Tax Base Estimated \$6,600,000.00

For each \$10,000.00 to be raised by Taxation, the rate would be \$1.50 per \$1,000.00 of assessed valuation.

REPORT OF THE COMMISSIONERS OF THE WARNER VILLAGE PRECINCT

ADMINISTRATION:

The Commissioners were able to pass along the reduced tax rate as promised in March 1983, inasmuch as we did receive the EPA funds we had been striving for.

The 3/4-ton dump pick-up truck appears to be saving the District an appreciable amount of money as forecasted, when compared to the operating expenses of the Ford dump truck that came with the Plant.

The Commissioners have initiated a *Paper Survey* of all the Precinct perimeter properties. This survey will clearly establish the Precinct bounds for the purpose of supplying services as well as for taxation purposes.

We find we must no longer delay adding a part-time position on the Precinct staff. At time of vacations, week-ends and during sick days, we operate in a vulnerable and precarious position of having only one person available to cope with the Water and Sewer department needs. We now must make time available for our regular staff of two to up-date as well as furthering their education as mandated by the State of New Hampshire to qualify them for re-accreditation of their licenses.

WATER DEPARTMENT:

We experienced quite a scare during September and October due to the lack of rain-fall. We ran the artesian well 24 hours a day, seven days a week, for seven weeks; until we did receive an amount of rain. Through the cooperation of many offices such as, the Warner Selectmen, Warner Civil Defense Director, N. H. National Guard, N. H. Water Supply and Pollution Control Commission and the Warner Fire Department, the Commissioners were ready to initiate an emergency program to ensure a water supply. In order to more fully understand the options and their related costs, the Commissioners have obtained estimates on the replacement cost of the artesian pump, possible expansion of the reservoir as well as the State requested, "study of alternate water sources such as bed-rock or gravel-packed ground wells." We have managed to obtain these quotes without an expenditure of funds to date.

We did replace a fire-hydrant which had been in service for 80 years on Kearsarge Street. It is our intention to seek funds in the next two years to replace two additional hydrants (one per year) which are less than satisfactory.

SEWER DEPARTMENT:

We experienced a direct hit by lightning which caused damage to the electronic control systems and electric power transfer panels in the main office building. Repairs were effected as best as possible due to the lack of some "as-built" drawings and schematics, which leads us to the next item.

We have had a successful audit by Cotton & Company of Alexandria, Virginia, who are the people actually conducting the EPA audit on the total Sewer and Sewage Plant Constuction bonds. Our engineering firm, Anderson-Nichols, Inc., of Concord, NH, is experiencing some difficulty in certain areas such as plant design, substantiation of Engineering fees and making available "as-built" schematics and drawings.

Our own employees have successfully re-designed and re-fitted an area of the plant which has not functioned properly since the plant was built. The weir-

board and associated electronics in the effluent chlorine contact tank finally seem to be functioning as originally intended and as the N. H. Water Supply and Pollution Control Commission demands. Al and Tom have also replaced the sampling pumps and have re-built the sludge pumps (no small task). We should now make provision for re-building the pumps in the pump station in the same fashion. A careful and conscientious maintenance program will save the District a great deal of money in the long run.

We also must have our Scott Air-Paks (2) re-fitted to the new standards for demand breathing as did the Fire Department.

The Commissioners were able to only partially replace the old sewer line on Depot Street extension. We will need additional funds to complete this greatly needed project.

The Sewage Plant was burglarized again this year. (Will it never end?). Someone saw fit to cut down and steal the American flag.

ORDINANCE ADVISEMENT

We have discovered many dangerous electrical installations where the electrical ground connection is made directly to the water line. We would advise you to immediately contact an authorized electrician to have a proper ground rod installed and disconnect this dangerous as well as illegal connection. Hazards associated with this condition range from starting a fire to electrocution.

There are no legal situations where you may have a sump-pump or floor drain either connected to or discharging into the sewage system by either the Precinct or the State of New Hampshire Ordinances. Discovery of same by our personnel will cause notice to be given to immediately correct same or we will order the same corrected at your expense. Again, this is for your own safety as well as the Precinct employees. If your neighbor has a floor drain in his garage and allows a small amount of gasoline to enter our system, the resulting fumes could cause an explosion at any point within the system; perhaps at your house.

WARNER TOWN MEETING**MARCH 8, 1983 1 YEAR**

1. To choose all necessary Town Officers for the year ensuing.
2. To amend the Zoning Ordinance as follows:

Article III . . . definitions by adding the following:

M. Manufactured housing including mobile homes means all forms of modular, unitized or prefabricated housing, assembled on a building site, placed on a foundation and tied into all conventional and necessary utility systems and which are intended to be used as a permanent dwelling unit.

N. Mobile home means a prefabricated single family dwelling unit which is of vehicular portable design, on a chassis for movement on wheels; designed for long term and continuous occupancy; and on arrival at a site, is ready for occupancy except for incidental assembly, placement and connection to utilities.

O. Mobile home park means any parcel of 30 or more acres of land under single or common ownership or control, which contains or is designed, laid out or adapted to accommodate 5 or more mobile homes, placed and connected for use as dwelling units.

P. Travel Trailer and Motor home means dwelling units designed to be completely roadable, self-propelled or towed, and intended for use as temporary living accommodations incident to travel and/or recreation/vacation.

Article XII . . . amend to read:

A. Manufactured housing, including mobile homes, which meets the requirements of the Warner Building Code for dwellings may be placed on any building site which meets the zoning requirements for a single family dwelling. Thereafter, such housing shall be considered and treated, in all respects and for all purposes, the same as dwellings constructed on site. Prior to on-site assembly, placement and occupancy, manufactured housing shall be subject to the requirements for such Warner building and occupancy permits, inspections and certifications as are required for dwellings constructed on site.

B. Mobile homes placed in a mobile home park shall conform to the construction and safety standards established by the Federal Department of Housing and Urban Development. However, it is not required that they meet the Warner Building Code requirements for a permanent foundation and a minimum of 500 square feet of ground floor living area.

C. Mobile home parks must have a minimum area of 30 acres and conform to State of New Hampshire laws pertaining to mobile home parks, RSA 205-A. Mobile home parks are permitted in any district zoned for single family dwellings, subject to the use regulations for single family dwellings in the

district in which it is located. Space allocations for individual mobile homes within a mobile home park shall conform to the requirements for building lots within the district where the mobile home park is located.

D. Travel trailers and motor homes registered for use in New Hampshire may be parked on land owned by the registered owner of the travel trailer or motor home, provided that it is not occupied in such location more than 30 consecutive days in any 12 months period and provided further that the location and condition of such trailer or motor home is not detrimental to the neighborhood or to property in the vicinity.

A property owner may accommodate the travel trailer or motor home of a non-paying guest for a single period of not more than 90 days in any one period of 12 consecutive months.

YES 202 NO 198 PASSED

3. To amend the Use Table as follows:

Retail and Service . . . by adding the following:

	R-1	R-2	R-3	B-1	C-1	OC-1	OR-1
8a Sheltered care facility	S	S	S	S	S	S	

“Adult sheltered care facility” means a place which is operated on a 24 hourly basis to provide residential accomodations, personal care, social, occupations and recreational services or training to persons whose health and safety requires continual supervision. New Hampshire Code of Administrative Rules, Chapter He-P 804.

YES 263 NO 85 PASSED

4. To amend the Building Code Ordinance as follows:

Article 11 under section B . . . add the following:

1a. Manufactured housing must meet the federal minimum property standards for single family dwellings and the mobile home construction and safety standards as published by the Department of Housing and Urban Development. (all of the above submitted by the Planning Board)

YES 257 NO 73 PASSED

5. To amend the Zoning Ordinance as follows:

M. Manufactured Housing or Mobile Home Subdivision means a subdivision of four (4) or more lots (Major subdivision) which is subject to and in compliance with the Subdivision Regulations of the Town of Warner. Each lot within such subdivision shall comply with all requirements of the Town of Warner Zoning Ordinance for single family lots in the district in which said subdivision is located.

N. Mobile Home means a prefabricated single family dwelling unit which is of vehicular portable design, on a chassis for movement on wheels; designed for long term and continuous occupancy; and on arrival at site, is ready for occupancy except for incidental assembly, placement and connection to utilities.

O. Mobile Home Park means any parcel of 30 or more acres of land under single or common ownership or control, which contains or is designed, laid out or adapted to accommodate two or more mobile homes, placed and connected for use as dwelling units.

P. Travel trailer and Motor home means dwelling units designed to be completely roadable, self-propelled or towed, and intended for use as temporary living accommodations incident to travel and/or recreation/vacation.

Article XII . . . amend to read

A. Manufactured Housing, as defined by New Hampshire Revised Statutes Annotated (RSA) 31:118, which meets the requirements of Warner Building Code for dwellings, may only be placed in Manufactured Housing or Mobile Home Subdivision in any district zoned for single family dwellings. Manufactured Housing in such subdivisions shall be considered and treated for all purposes and shall be subject to the same requirements, ordinances, codes and regulations as dwellings constructed on site.

B. Mobile Homes placed in mobile home parks shall conform to the construction and safety standards established by the Federal Department of Housing and Urban Development. However, it is not required that they meet the Warner Building Code requirements for a permanent foundation and a minimum of 500 square feet of ground floor living area.

C. Mobile home parks must have a minimum of 30 acres and conform to State of New Hampshire laws pertaining to mobile home parks, RSA 205-A. Mobile home parks are permitted in any district zoned for single family dwellings, subject to the use regulations for single family dwellings in the district in which it is located. Space allocations for individual mobile homes within a mobile home park shall conform to the requirements for building lots within the district where the mobile home park is located.

D. Travel trailers and motor homes registered for use in New Hampshire may be parked on land owned by the registered owner of the travel trailer or motor home, provided that it is not occupied in such location more than 30 consecutive days in any twelve month period, and provided further that the location and condition of such trailer or motor home is not detrimental to the neighborhood or to property in the vicinity.

A property owner may accommodate the travel trailer or motor home of a non-paying guest for a single period of not more than 90 days in any one period of 12 consecutive months. (the above submitted by petition)

YES 171 NO 233 DEFEATED

6. To clarify the vote taken in 1982 in regards to solar heating or cooling systems. Said article stated: exemption shall be in the amount equal to 100% of solar heating or cooling system.

Article to read: exemptions shall be in the amount to 100% of assessment of solar heating or cooling system.

YES 250 NO 127 PASSED

ADJOURN: FOR BUSINESS MEETING
WEDNESDAY, MARCH 9, 1983 AT 7:30 P.M.

7. To vote to appropriate the sum of \$31,232.00 (Thirty One Thousand Two Hundred Thirty Two Dollars) for the Police Department. Said sum including conversion from a part-time Chief of Police to a full time Chief of Police. (included in budget)

Voted by paper ballot and defeated . . . YES 66 NO 121

The Budget Committee recommended that the police budtet be decreased \$7,982.00 to \$23,250.00 including \$3,000.00 for Capital Reserve to be used toward a police cruiser.

Paper ballot . . . YES 154 NO 27 PASSED

8. To vote to appropriate and authorize withdrawal from Revenue Sharing Funds:

APPROPRIATION	AMOUNT
Oiling	\$14,500.00
Bridge (at French's Brook)	4,000.00
Capital Reserve (Highway Equipment)	7,000.00
	<hr/>
	\$25,500.00

Voted in the affirmative by show of hands. No discenting vote.

9. To raise such sum of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

Voted by hand vote to raise \$550,208.00 with no discenting votes.

10. Vote to go on record in support of immediate actions by the Federal Government to control and reduce acid rain which is harmful to the environment and economy of New Hampshire and to the health and welfare of the people of New Hampshire.

These actions shall include:

1. Reduce by at least half the major cause of acid rain, sulfur dioxide emission, by the year 1990.
2. Conclude negotiations and adopt a treaty with the government of Canada that will commit both nations to this same goal.

The record of the vote of this article shall be transmitted to the New Hampshire Congressional Delegation and to the President of the United States. (by petition)

A hand vote was in the affirmative.

11. To adopt as a by-law or ordinance of the Town the

“Licensing and Regulation of Amusement Devices and Centers” made by

the Selectmen on July 3, 1982, pursuant to RSA 31:41d and 42, the provisions of which have been published at length and are herein incorporated by reference.

A hand vote was in the affirmative

12. To amend the site plan review authority (adopted in 1981 Town Meeting, Article 16) of the Planning Board to include multi-family dwelling units, other than one and two family dwellings.

#12 was a hand vote in the affirmative.

13. Authorize the Selectmen and Town Treasurer to borrow money in anticipation of taxes on the note or notes of the town.

#13 was passed by a hand vote in the affirmative.

14. Authorize the Selectmen to sell property taken for taxes.

#14 was passed by a hand vote in the affirmative.

15. To permit the Board of Selectmen to accept gifts and grants on behalf of the Town of Warner.

#15 was passed by a hand vote in the affirmative.

16. To permit the Board of Selectmen to adopt by-laws on behalf of the Town of Warner until the next annual meeting.

#16 was passed by a hand vote in the affirmative.

17. To hear reports of the Officers of the Town heretofore chosen and Committees appointed and pass any vote relating thereto.

18. To transact any other business that may legally come before said meeting.

Since there was no further business, the meeting was adjourned at 10:30 p.m.

Respectfully submitted,

RUTH M. GERVAIS
Town Clerk
